2	Cuesta did extremely well managing much of the impacts of Covid, successfully threading the difficult and delicate needle of appropriate controls, public safety, expectations, opinions and perceptions. Many did not handle these aspects as well as our Cuesta leadership and entire campus team. Our students and the college have benefitted well from how this was managed. Thank you!	6/2/2022 9:19 AM

4	Have "permission" to attend some of the students' club activities/meetings, have a Board meet and greet with the students, be involved more with Cuesta's students that the Board supports and wants to be successful. I realize that some of our Board members work full-time. This may not be possible for all Board members. It's just a thought on how to let our students know we are there for them.	6/1/2022 1:08 PM
